Addendum No. 1

New Heavy Duty Truck - County EMS

Issued 4/20/2021, Bid #21-542-IP-CARES-03

The following answers questions and clarifies information contained within the original bidding document released for this project. Bidders should consider all information contained within issued addenda when considering their proposal and acknowledge receipt of all addenda in the space provided in the bid form - failure to do so does not relieve respondent of any responsibility or burden of providing and performing a completed project for the bid price offered.

This Addendum consists of one page.

GENERAL INFORMATION:

1. Q. Do the tinted windows need to be on all windows or will the rear factory tint suffice?
A. The quote may include a truck that provides factory tint windows, however, if the truck being quoted is tinted on all windows, this will not be a disqualifying factor.

2. Q. Please specify the bed length for 8' or 6.5' (wheel base suggests 8' pickup box)
A. Please provide an 8' pickup bed/box that provides the 176" WB.
