Addendum No. 1

Issued 7/08/2021, Bid #21-455-IC-04

Application of Fluid Applied Roof Membrane, Roof Project

The following answers questions and clarifies information contained within the original bidding document released for this project. Bidders should consider all information contained within issued addenda when considering their proposal and acknowledge receipt of all addenda in the space provided in the bid form - failure to do so does not relieve respondent of any responsibility or burden of providing and performing a completed project for the bid price offered.

This Addendum consists of one page.

GENERAL INFORMATION:

Iredell County Facility Services will be providing a Thermal scan of the Roof to be submitted prior to bid closing. For this reason the Bid Close has been pushed back to Thursday, July 22, 2021 at 4:00 PM. Electronic submissions will be accepted until the deadline – the time recorded is the time it arrives in my inbox.

Addendum 2 will be issued to answer all the questions during the walk through and provide the results of the thermal scan.

Thank you

Mrs. Antonia Stines
